Product Descriptions

Chambourcin – This red, French hybrid has medium-sized blue berries which make an excellent, high quality red wine. The vine is of medium vigor, requiring a long growing season.

Chardonel - Cornell University patented this cross of Seyval Blanc and Chardonnay producing an excellent white wine when mature. This vine requires a long growing season. *Price includes royalty to Cornell University.

Norton/Cynthiana – A very highly sought after red wine grape. Very winter hardy and disease resistant. Purple skin with green flesh grape. Ripens very late.

Vidal Blanc- A white hybrid. Very vigorous and productive. Cold hardy and resistant to mildews. Very high quality wine.
