Vignoles	\$5.75/ea	\$4.05/ea	\$2.90/ea

Vines are own-root stock. Grapevines are shipped in bundles of 5 vines.

Product Descriptions

Catawba - The large berry size red grape from this winter hardy native vine produces a medium-bodied sweet blush wine often used in blending.

Chambourcin – This red, French hybrid has medium-sized blue berries which make an excellent, high quality red wine. The vine is of medium vigor, requiring a long growing season.

Mars – This seedless, blue-hued, medium sized table grape grows in compact clusters. The grapevine is vigorous and cold hardy.

Norton/Cynthiana – A very highly sought after red wine grape. Very winter hardy and disease resistant. Purple skin with green flesh grape. Ripens very late.

Vidal Blanc- A white hybrid. Very vigorous and productive. Cold hardy and resistant to mildews. Very high quality wine.

Vignoles - A white hybrid. Very susceptible to Botrytis, but an excellent wine. Good cold hardiness and late to break bud with medium production.

As both a wholesale and contract nursery, we will be happy to custom grow for our customers who prefer to develop their planting plans well in advance. This guarantees the varieties of choice are available in the required quantities at a contract price. We can use your propagation material or we can help you obtain the varieties you are looking for from one of our trusted sources. Call our office for details.

Terms

All prices are F.O.B. Doniphan, Missouri. Missouri residents are subject to 5.725% sales tax. Please add 5% for packaging and handling materials (minimum charge of \$5.00). Shipping is via standard LTL next day freight or UPS ground service unless another method is requested. Shipping will be billed at cost.

Prices are subject to change without notice. Orders are filled on a first come, first serve basis and all current inventories are based on field estimates until harvest and processing are completed. We process our grapevines in bundles of 5 plants per bundle. When ordering please make all requests in multiples of 5 plants per variety. We would ask for at least three (3) days prior notice before pickup, so that we can have your order ready for you.

We will hold all paid in full orders for customers in our cold storage facilities as long as necessary in the spring due to late planting conditions resulting from high water, equipment availability, etc. All orders must be paid in full no later than April 1, regardless of how long they remain in our cold storage.

Orders under \$500 require payment in advance. For orders over \$500, a cash payment of 25% of total is required to book and hold an order. The balance is due prior to shipment unless approved by our office in advance of the shipping date. Late payments are charged at 2% monthly on the outstanding balance.

Every effort is made to insure materials are true to name and size. However, Ripley County Farms makes no warranty regarding its products for productivity, survivability or any other type of guarantee, expressed or implied. Orders will be shipped in good condition and in proper packaging to extend the viability of the living plant material. Orders are accepted subject to crop conditions. Ripley County Farms, LLC shall not be liable for non-performance due to labor shortages, weather conditions affecting stock losses in storage, delays in transportation, or other acts over which Ripley County Farms, LLC has no control.

Orders may be placed by contacting our office.

Receipt of Merchandise

Upon receipt of your order, please unpack and report any damage within two (2) days of arrival. After two (2) days, Ripley County Farms, LLC assumes no responsibility for reviewing claims for damage or loss. The buyer must file damages or losses in shipping with the carrier. Ripley County Farms, LLC will provide information or other assistance.
